

Mr Ibrahim Ismail Bolaji

MANSAG **PRESIDENT**

My role is to provide leadership and steer my executive team in a positive direction to help MANSAG fulfil its short, medium and long time priorities, vision and mission. I am constitutionally responsible for chairing all meetings of the charity and representation of the organisation at regional, chapter and public functions.

Outside MANSAG, I work as consultant Obstetrician and Gynaecological surgeon and as a Senior Clinical lecturer for Hull York Medical School.

Outside of Medicine, I am a keen traveller and a country Rambler. I have performed the 3 peaks in Yorkshire, Survive the Nile adventure in 2006 (trekking from Mountain Sinai to the Red sea) and Team RCOG Kilimanjaro 2016 (hiking to the 5,895 metres above sea level, the highest mountain in Africa) for the Royal College of Obstetricians and Gynaecologists completed in February 2016.
